Expanding on map of resources and activities in Maryland

Ecosystem mapping activity - 06.09.22

At in-person meeting, group explored:

1. **What types** of maternal health services do your organizations offer/provide?
2. **Where** are these services being offered?
3. **Who** is missing?

*This activity stems from group decision to **catalogue types of services** offered, and **foster collaboration** between different entities working to improve maternal health!*

- What else is missing?
- What else do you see or not see on this map?
